

ANNA SKYGGEBJERG

gå

The word 'gå' is written in large, bold, green, hand-drawn letters. A red dashed line starts at the top left, curves around the letters, and ends at the bottom right. Several small red icons are scattered around the word: a jagged mountain range at the top, several simple house outlines, and three simple tree outlines on the left side.

OM GLÆDEN

VED AT SÆTTE DEN ENE FOD
FORAN DEN ANDEN

tur

The word 'tur' is written in large, bold, green, hand-drawn letters. A red dashed line starts at the top left, curves around the letters, and ends at the bottom right. Several small red icons are scattered around the word: a simple tree outline on the right, a simple person outline at the bottom, and two more simple tree outlines on the left side.
